Your Delta Dental ID card is available online!

Delta Dental doesn't require ID cards, but many dental offices ask for them anyway. It's as easy as 1–2–3 to get your Delta Dental ID card from our website.

1. Go to Delta Dental's website at www.deltadentalnj.com.
2. Log in to your account on the right side of the screen.
3. Click the printer icon in "Print ID Card" on the right side of the screen.

That's it! Your ID card includes your name, your group name, your group number, and the Delta Dental program in which you are enrolled. Your member ID will only display if it is not your Social Security number. You can reprint your card whenever you need, as often as you need. Please note that ID cards print with the member's name only.

If you have any questions, please contact Delta Dental's Customer Service Department at 800-452-9310.

This feature is available to all members except those enrolled in DeltaCare®. DeltaCare members needing replacement cards should call the Flagship/DeltaCare Customer Service Center at 800-722-3524.
